Total and permanent disablement payment form

Payment by EFT is the quickest way to receive payment, as it's transferred directly into a bank account as cleared funds. If your bank details are not correct or there is missing information, we will send you a cheque.

Please use black or blue pen and write in CAPITAL letters. Use an X in boxes where required.

Important: Do you want to keep any of your payment in your Cbus super account?

As you're no longer able to work until age 65, the Government gives you some additional tax benefits (subject to medical evidence).

If you decide to keep any of your payment in your Cbus account in Step 2 below, for any additional payments after 12 months it's important to note that you'll be asked to provide identification documents, new medical certificates and/or a statutory declaration to confirm your circumstances haven't changed. Make sure you speak to the Cbus Insurance Claims Team for any future payments to ensure the additional tax benefit is applied.

The accompanying letter provides important information about the tax implications for your age and keeping some of your payment in your Cbus account. If you'd like to speak with someone about your options, please contact Cbus Advice Services on **1300 361 784**.

We encourage you to seek advice to help make the right decision for your needs and consider things like the impact of any tax implications on payments, claiming tax deductions, setting up an income stream account or how your payment may affect other potential benefits, such as Centrelink payments.
